

EAZA CONSERVATION FORUM 2022
DRAFT PROGRAMME / SUBJECT TO CHANGE

Wednesday 18 May 2022

08.30	Opening and introduction <i>Grand Salon</i>	Welcome by Director Zagreb Zoo Welcome by Mayor of Zagreb Welcome by Executive Director EAZA Executive Office Welcome by EAZA Conservation Committee Chair	Damir Skok Mr. Tomislav Tomašević Myfanwy Griffith Eric Bairrao Ruivo	Zagreb Zoo (Croatia) EAZA Executive Office (The Netherlands) Beauval Zoo (France)
09.30	Saving species together with you <i>Grand Salon</i>	Looking for Action, Evidence and Influencing for Species Conservation PICA - a support project for Pallas's cat conservation, strategic planning and research Action Indonesia: A global collaboration to conserve anoa, banteng and babirusa An approach to conservation education to act for a sustainable future	Simon Bruslund Emma Nygren Corinne Bailey, Stuart Young Tomislav Krizmanic	Marlow Birdpark (Germany) Nordens Ark (Sweden) IUCN SSC Asian Wild Cattle Specialist Group, Chester Zoo (United Kingdom) Zagreb Zoo (Croatia)
10.30	Coffee/tea break <i>Banquet lobby</i>			
11.00	Saving species together with you <i>Grand Salon</i>	<i>[continued]</i> Evidencing Species Conservation Influencing action through collaborative species conservation planning Eco-friendly livelihoods in exchange for safe wildlife in Sumatra: a conservation story, that modern zoos made possible Outside the Scheme: Reintroduction of the endangered Northern Bald Ibis (<i>Geronticus eremita</i>) in Europe in the light of the International Action Plan	Merel Zimmermann Jamie Copsey Frantisek Pribrsky Johannes Fritz	EAZA Executive Office (The Netherlands) IUCN SSC Conservation Planning Specialist Group (United Kingdom) Ostrava Zoo / The Kukang Rescue Program (Czech Republic) Waldrappteam Conservation & Research (Austria)
12.30	Lunch <i>Adriatic Salon</i>			
13.30	New initiatives, thoughts and tools for species conservation <i>Grand Salon</i>	Session chaired by Simon Bruslund (Marlow Birdpark, Germany) New zoo-based international initiative fighting wildlife traffickers in Southeast Asia. Reaction on an ongoing trade shift from monitorable animal markets to the online trade with a focus on small mammals especially pangolins, small primates and songbirds. Presenting the ornamental species knowledge initiative: A tool to highlight ornamental fish for ex-situ management Collaborative approach to the development of novel technology: Using a safari park for the development of unobtrusive biodiversity monitoring utilising artificial intelligence and camera technology. Under the lens of the EU Zoos Directive: Assessing the conservation potential of zoos and aquariums for threatened species in the European Union Collaborating for conservation - The value of local community knowledge	Tomas Ouhel, Frantisek Pribrsky Jacqueline Juergens Naomi Davies Walsh Johanna Staerk Rebecca Biddle	Zoo Liberec/ Palacky University, Ostrava Zoo / The Kukang Rescue Program (Czech Republic) Species360, University of Southern Denmark (Denmark) Knowsley Safari, Liverpool John Moores University (United Kingdom) Species360, University of Southern Denmark (Denmark) Twycross Zoo (United Kingdom)
15.30	Coffee/tea break			
16.00	Posters and movies <i>Short movies session (45 minutes) in Grand Salon followed by poster session in Mediteran Salon</i>	Session chaired by Merel Zimmermann (EAZA Executive Office, The Netherlands) Great efforts for a small beetle- a conservation project for the Noble chafer (<i>Gnorimus nobilis</i>) Local conservation efforts - Copenhagen Zoos amphibian projects in Denmark Vrijeme leti, hoću li i ja?/ Time flies Na krilima bure/On the wings of the Bura wind IUCN SSC Conservation Planning Specialist Group Tools and training	Eddie Bach Lene Rasmussen Marko Modrić/Tomislav Anić Marko Modrić/Tomislav Anić Jamie Copsey	Copenhagen Zoo (Denmark) Copenhagen Zoo (Denmark) Priroda Public Institution and partners (Croatia) Priroda Public Institution and partners (Croatia) IUCN SSC Conservation Planning Specialist Group (United Kingdom)
18.00	<i>Participants to arrange own dinner</i>			
19.30	Start Zagreb City Tour Meeting point: 19:00 (CET) Hotel International organised transport to Ban Jelačić Square (central square)	Duration: 1.45 hrs		

EAZA CONSERVATION FORUM 2022
DRAFT PROGRAMME / SUBJECT TO CHANGE

Thursday 19 May 2022

08.30	Measuring impact of conservation	Session chaired by Merel Zimmermann (EAZA Executive Office, The Netherlands)		
	<i>Grand Salon</i>	The IUCN Green Status of Species - identifying past and potential future conservation impact	Molly Grace	University of Oxford and Co-Chair, IUCN Green Status of Species Working Group (United Kingdom)
		A pragmatist's guide to measuring impact! Why measuring conservation impact is a challenge, exploring practical approaches in the zoo sector, and applying performance management principles for the Chester Zoo Conservation Masterplan Strategy.	Scott Wilson	Chester Zoo (United Kingdom)
10.00 10.30	Coffee/tea break <i>Banquet lobby</i>			
11.00	Conservation in South East Europe	Session introduced by Eric Bairrao Ruivo (Beauval Zoo, France)		
	<i>Grand Salon</i>	Conservation in South East Europe – opportunities and challenges	Dušan Jelić	President of the Croatian Institute for Biodiversity (Croatia)
12.00		Balkan stripe-necked Terrapin (<i>Mauremys rivulata</i>) task force in Croatia	Dragica Šalamon	University of Zagreb, Faculty of agriculture (Croatia)
		The example of multisectoral cooperation in protection of endangered the species <i>Proteus anguinus</i> in Croatia	Ivan Cizelj	Zagreb Zoo (Croatia)
		Conservation work and activities of Beli Visitor Centre and Rescue Centre for Griffon Vultures in Croatia	Marko Modrić	Priroda Public Institution (Croatia)
		Aquarium Pula Contribution in Noble Pen Shell (<i>Pinna nobilis</i>) Rescue	Milena Mičić, Aleksandra Bel Dajković	Aquarium Pula (Croatia)
		Collaboration on ex situ methodology development for in situ monitoring of Balkan snow vole	Dijana Beneta	Zagreb Zoo (Croatia)
13.00	Lunch <i>Adriatic salon</i>			
14.00	End of programme at venue			
15.00	Leave for zoo visit	<i>Transport to zoo is arranged</i>		
16.00	Zoo visit starts	<i>Snacks and drinks provided</i>		

EAZA CONSERVATION FORUM 2022
DRAFT PROGRAMME / SUBJECT TO CHANGE

Friday 20 May 2022

08.30	Workshops/Discussions <i>Grand Salon</i>	<i>Introduction followed by parallel workshops and discussions</i>	Developing an institutional Conservation Strategy - challenges and opportunities	Merel Zimmermann, Tomasz Rusek and Alice Albertini	EAZA Executive Office (The Netherlands)
	<i>Adriatic Salon I</i>		Large Carnivores in the Dinarides: Management, Monitoring, Threats and Conflicts	Andrea Solić	Carnivora Magna (Croatia)
	<i>Adriatic Salon II</i>		Establishing a transnational exchange (discussion) platform for the management of large carnivores in the Dinaric region – Background Report	Carl Treholt	Copenhagen Zoo (Denmark)
11.00	Coffee/tea break <i>Banquet lobby</i>		It begins with an Abstract - Showcasing ex- and in-situ conservation work at talks, seminars, workshops and conferences		
11.30	Saving species together with you II <i>Grand salon</i>	Session chaired by Marjo Priha (Helsinki Zoo, Finland)	The link between Andean bears & honey in Chaparri Ecological Reserve in Peru with Bioparc Zoo de Doué-la-Fontaine support	Tatiana Beuchat	Bioparc Zoo de Doué-la-Fontaine (France)
			Saving species together: How zoos are contributing to wild tiger and Amur leopard conservation through the initiative WildCats Conservation Alliance	Esther Conway	WildCats Conservation Alliance (United Kingdom)
			"Together We Protect" – because, in Conservation, collectively, we can, we should, and we must	Élio Vicente	Zoomarine Algarve (Portugal)
			Using ex situ expertise for in situ conservation of critically endangered wild camel	Jaroslav Simek, Bridget Johnson	Prague Zoo, Knowsley Safari (Czech Republic, United Kingdom)
			Oriental tree frog (<i>Hyla orientalis</i>) (Bedriaga, 1890) in Latvia: success of Riga Zoo's reintroduction project	Alessandro Di Marzio	Riga Zoo (Latvia)
			Reintroduction Program and Conservation Efforts of The Endangered Persian Fallow Deer in the Judean Mountains	Nadav Ganot	Jerusalem Zoo (Israel)
			West African Primate Conservation Action – the One Plan Approach to primate conservation	Andrea Dempsey	Heidelberg Zoo (Germany)
13.30	Lunch				
14.30	<i>Adriatic salon</i> From the field <i>Grand Salon</i>	Session chaired by Sonja Luz (Mandai Nature, Singapore)	Red colobus conservation initiative and collaboration possibilities (pre-recorded)	Florence Aghomo	Red Colobus Conservation Network (RCCN)
			Update from Saola Foundation for Annamite Mountains Conservation	William Robichaud	Saola Foundation for Annamite Mountains Conservation (US)
			Conservation opportunities in an oil palm plantation	Muhammad Silmi	United Plantations Berhad / PT Surya Sawit Sejati (Indonesia)
			Imported deforestation and sustainable agriculture in Europe	Catherine Barton	Chester Zoo (United Kingdom)
			Savannah in peril: Baluran National Park is fighting to survive	Hariyawan Agung Wahyudi	Copenhagen Zoo (Denmark)
			Trengrilling Conservation Program - Protection of Sunda pangolin in Indonesia using various methods	Lucie Cizmarova	Olomouc Zoo (Czech Republic)
			A holistic approach in the protection of Bangkaru Treasure Island in Sumatra: the role of zoos in conservation and research	Tomas Ouhel, Pavel Zoubek	Palacky University, Liberec Zoo (Czech Republic)
16.30	Closing				
17.00	End of Forum Programme				
18.30	Transport to farewell dinner location				
19.30 - 01.00 hrs.	Farewell dinner				

EAZA CONSERVATION FORUM 2022
DRAFT PROGRAMME / SUBJECT TO CHANGE

Posters

Javan warty pig research and conservation in West Java, Indonesia: 2016-2022
Reintroduction of Javan Warty Pig into Baluran National Park, East Java
INSOSTENIBILE per la NATURA - how wildlife exploitation endangers us and the planet: Awareness-raising and educational actions in Northern Italy's largest zoological garden
InterMuc: a new research project on interactions among wild felids in Europe and Africa
The conservation of the Greater Capricorn beetle (*Cerambyx cerdo*) in Sweden
Developing a breeding method for the clouded apollo (*Parnassius mnemosyne*)
GPS monitoring and ecotoxicological study of grey seals (*Halichoerus grypus*) (Fabricius, 1791) from the Gulf of Riga (Latvia)

A glimpse of the behavior and activity of conservatively important species of small mammals at Sofia Zoo - the result of a successful collaboration with Sofia University "St. Kliment Ohridski "

Collaboration for conservation of endangered bird species between Sofia Zoo and Bulgarian NGO's
Diving into the life expectancies for sharks under human care
Always be ready for networking – case of rehabilitation and reintroduction of lynx cub
Repopulation of red squirrel (*Sciurus vulgaris*) in the area of Zrinski Park in Čakovec

Movies

Great efforts for a small beetle- a conservation project for the Noble chafer (*Gnorimus nobilis*)
Local conservation efforts - Copenhagen Zoos Amphibian projects in Denmark
Vrijeme leti, hoću li i ja?/ Time flies
Na krilima bure/On the wings of the Bura wind

Reintroduction of the endangered Northern Bald Ibis (*Geronticus eremita*) in Europe
